## Miton Group plc

### Director dealings

Miton Group plc (AIM:MGR.LN) announces that yesterday the trustee of the Company's Share Incentive Plan operating through Miton ESOP Trustee Ltd, a UK registered company, allocated 13,616 ordinary shares of 0.1 pence each ("Shares") at an allocation cost of 40.75p pence per Share as "partnership shares" under the Company's Share Incentive Plan ("Plan"). The shares were held in the Trust following the resignation of individuals who forfeited their right to shares under the rules of the Plan. The allocation cost is calculated on the basis of the closing mid-market price on the day before the allocation.

In connection with and on the same date as the above purchase all participants in the scheme were awarded Shares as "matching shares" under the Company's Share Incentive Plan. No consideration was paid by the grantees for the award of the matching shares and no consideration is due on the release of the matching shares.

The risk of forfeiture attached to the matching shares will normally be removed on the third anniversary of allocation subject to continued employment and the retention of the Partnership shares in connection with which they were awarded.

PDMR transaction disclosures required under the Market Abuse Regulation are as summarised below:

PDMR	Partnership shares acquired	Matching shares awarded	Total holding following notification	% of current issued shares
Gervais Williams	368	368	11,760,042	6.88%

ENDS
